I would like to highly recommend Guide-One Taylor Ball for any Church that has any construction needs. The elders and staff of Crescent Lake Christian Center & Academy were extremely pleased with all aspects of their job performance. Because Guide-One works exclusively with Churches each of their staff members that dealt with us understood our concerns and our unique need to keep the Church informed every step of the way. We were promised at the beginning of the job that we would be pleased when the job was completed. I can say that we were extremely pleased and satisfied with the job upon completion.

I also want to highly recommend David Franklin for the job he did as construction superintendent. David's knowledge, professionalism, and experience working with Churches were invaluable to us and as Pastor he made my job easier.

Should you have any questions please feel free to call me.

Sincerely
Mike Boudreaux
