Re: Ed Bowden

This is to make Guide One Taylor Ball Construction services aware of the wonderful service rendered to Fairton Christian Center in Fairton, New Jersey by Ed Bowden in repairing our Church facility.

Mr. Bowden was one of the most courteous, caring, responsible persons I have ever dealt with in a business situation.

He not only cared for the concerns of his Company but bent over backwards to see that our building was restored to its previous condition. It is very difficult to adequately express the great admiration in which the Board of Elders, congregation and I hold Mr. Bowden.

Without seeming overly dramatic I really believe Mr. Bowden was a gift from God to us at a very traumatic time.

I would like to close by simply saying from my position as Southern Section Presbyter of the New Jersey District of the Assemblies of God; I will do every thing possible to promote the good reputation of Guide One.

Very respectfully yours,

Pastor Woodson D. Moore
Southern Section Presbyter

WDM/bn
