Dear Sir,

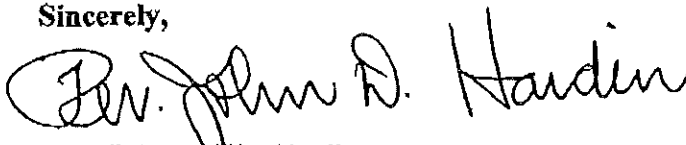

In September 2005, Rita came through our Jasper- (County) and our Church Was damaged seriously, we were proud to see Mr. Jackson, Mr. Wilson, come to help, work started on Tuesday September 27, papers were signed by Pastor and Deacons all is in order.

I have never witness no builder as Guideone Taylor Ball to be so dependable so honest, so understanding even the content of our Church building was taken care of, I know God was in the plan.

I personally want to thank Mr. Wilson for putting his best in seeing that all went well and everyone is satisfied, I know we are. Keep up the good work for the Lord, now May God continue to Bless you real good, My you have peace, May you be healthy, May you be Happy and my you be safe is my prayer.

Thank you, Thank you, Thank you,

Sincerely,

Rev. John D. Hardin, Pastor
