Dear Mr. Carlstrom,

I wanted to write a brief note on behalf of Tabernacle Baptist Church to let you know how appreciative we are for the help of Taylor/Ball Construction in the repairs on our facility. The response, counsel and assistance through this trying time have been a great comfort. The staff of Taylor/Ball and Guide One has acted in a professional manner and have become friends to this ministry as a result of the concern they have shown. They have made themselves available and visible during the construction period. Although our repairs have been extensive and lengthy they have stood with us till the end.

I know from experience when tragedy strikes it is devastating and when facilities are destroyed you need someone to step in to help bear the burden. Please share my thanks to you, your staff and those men and women who are in the field offering that support. If I can ever be of assistance to you please feel free to contact me. I am in your debt.

Sincerely,

Dr. Steve A. Ware, Pastor
